WESTLAKE PLANS MAMMOTH FOOD SHOW

Twenty-four bags of groceries and many other prizes will be given away by the Westlake market, 301 Miriam street, tomorrow (Saturday), at a mammoth food show for their patrons.

Four drawings will be held Saturday to determine the winners, and the contest is open to all patrons of Westlake Market. Each customer is given a ticket with each purchase, and tickets are available now. Winners must be present when the names are called, and drawings will be held at 11 a. m., and 1, 3, and 5 p. m.

In addition, those in attendance will be served Nescafe, a delicious drink. The management said "If you like good coffee, you'll love Nescafe."

Robert Fessenden, proprietor of the market, features a fine display of groceries of the highest quality, at lowest prices. A large assortment of frozen fruits and vegetables is also featured in Saturday's sale.

Many attractive bargains are offered by the meat department, managed by Joe Hoffman. Choicest cuts of beef and pork, legs of lamb, the finest quality of bacon and hams, and many other meat delicacies are featured at special prices.

Apple Blossom Time

Mrs. Sadie Tuxford, Redwood City, Calif., would like to have someone analyze the "secret urges" which have pushed her two-year-old apple tree to blossom five times within a year and to bear four crops of fruit.

Human Head Sacred

In the Fiji islands, the human head is held to be sacred and it is an insult to reach above the head of another person. Women in consequence crawl on their hands and knees when men are at leisure inside a house. Persons who have been insulted are likely to commit suicide to eradicate the shame.

PROPER NUTRITION MEANS GOOD HEALTH!

Government health authorities have proved beyond a doubt that America is undernourished! At the same time, advanced research in nutrition has developed information which can considerably improve the health and spirit of every normal person. Here, then, is the need and the opportunity for every American housewife to help build a healthier, stronger Nation!

To help you prepare meals that are both nutritious and attractive, the Homemakers' Bureau has prepared a correspondence course, "Kitchen Course in Nutrition." These are ten easy lessons, one each week.

"Kitchen Course in Nutrition" is Safeway's contribution in response to the Government's request for co-operation in building a healthier, stronger Nation.

Clip the coupon below and start your family on the road to better health. Do it today! And tell your neighbors about this great opportunity. Let's join together to build a better America with more nutritious foods.

JULIA LEE WRIGHT,
